

**Serial No. 10/501,000**

IN THE CLAIMS:

Claim 1 (currently amended): A therapeutic apparatus comprising:

a plurality of therapeutic devices, including a vaporizer having a fan for ~~producing~~ blowing therapeutic vapor adjacent a person;

therapeutic device camouflage concealing said plurality of therapeutic devices while said plurality of therapeutic devices are located adjacent an individual receiving therapy from at least one said therapeutic device whereby a person can receive therapy in the presence of other individuals without drawing attention to the therapeutic action taking place.

Claim 2 (canceled).

**Serial No. 10/501,000**

Claim 3 (canceled).

Claim 4 (previously amended): The therapeutic apparatus of claim 1 in which said plurality of therapeutic devices includes a massage unit for producing a massaging vibration adjacent a person.

Claim 5 (previously amended): The therapeutic apparatus of claim 1 in which said plurality of therapeutic devices includes heat storing material for storing and applying heat adjacent a person.

Claim 6 (previously amended): The therapeutic apparatus of claim 5 in which said heat storage material is a loose granular material which also forms a vaporizer when a vaporizing liquid is applied to the heated loose granular material.

Claim 7 (previously amended): The therapeutic apparatus of claim 1 in which said camouflage is shaped like a soft sculpture animal figure shaped to be attached to a person.

**Serial No. 10/501,000**

Claim 8 (previously amended): The therapeutic apparatus of claim 1 in which said plurality of therapeutic devices includes pressure points camouflaged in clothing and positioned to apply pressure to predetermined points of a body.

Claim 9 (previously amended) The therapeutic apparatus of claim 1 in which said plurality of therapeutic devices includes means for generating a bioelectromagnetic field for applying to a person's body.

Claim 10 (previously amended): The therapeutic apparatus of claim 1 in which said plurality of therapeutic devices includes frequency generating means for generating a predetermined frequency adjacent the body.

**Serial No. 10/501,000**

Claim 11 (previously amended): A decorative therapeutic apparatus comprising:

a decorative soft sculpture shaped to be positioned adjacent to a person;

a plurality of therapeutic devices attached to said decorative object adjacent a person wearing said decorative soft sculpture including a vaporizer for producing therapeutic vapors, said plurality of therapeutic devices being camouflaged by said decorative object whereby a plurality of camouflaged therapeutic devices can provide a therapeutic action to a person wearing said decorative object.

Claim 12 (canceled).

Claim 13 (canceled).

**Serial No. 10/501,000**

Claim 14 (previously amended): The decorative therapeutic apparatus of claim 11 in which said plurality of therapeutic devices includes a massage unit for producing a massaging vibration adjacent a person.

Claim 15 (previously amended): The decorative therapeutic apparatus of claim 11 in which said plurality of therapeutic devices includes heating means of loose granular material.

Claim 16 (previously amended): The decorative therapeutic apparatus of claim 15 in which said loose granular material includes flax seeds.

Claim 17 (previously amended): The decorative therapeutic apparatus of claim 11 in which said plurality of therapeutic devices includes heating means of loose granular material which also forms the vaporizer when a vaporizing liquid is applied to the heated loose granular material.

**Serial No. 10/501,000**

Claim 18 (previously amended): The decorative therapeutic apparatus of claim 11 in which said plurality of therapeutic devices includes a vaporizer having a heating element and a fan for blowing heated vaporized liquid out of said decorative soft sculpture.

Claim 19 (previously amended): The decorative therapeutic apparatus of claim 11 in which said decorative soft sculpture is an animal figure shaped to be attached to a person.

Claim 20 (previously amended): The decorative therapeutic apparatus of claim 11 in which said plurality of therapeutic devices includes permanent magnets mounted in said decorative object adjacent a person's body wearing said decorative object.

**Serial No. 10/501,000**

Claim 21 (previously amended): The decorative therapeutic apparatus of claim 11 in which said plurality of therapeutic devices includes pressure points placed in said decorative soft sculpture and positioned to apply pressure to predetermined points of a person's body.

**Serial No. 10/501,000**

Claim 22 (previously amended): A therapeutic clothing apparatus comprising:

a clothing item for wearing by an individual;

a plurality of acupressure nodules, each said nodule being located adjacent a selected known acupuncture point of an individual wearing said clothing item to apply pressure to a plurality of acupressure points of an individual wearing said clothing item.

Claim 23 (previously amended): The therapeutic clothing apparatus of claim 22 including a plurality of magnets located in said clothing item.

Claim 24 (previously amended): The therapeutic clothing apparatus of claim 22 in which said clothing item is a shoe having a plurality of acupressure nodules positioned on the shoe insole adjacent selected known acupuncture points.

**Serial No. 10/501,000**

Claim 25 (previously amended): A therapeutic clothing apparatus comprising:

a clothing item for wearing on the head of an individual;

a camouflaged vaporizer attached to said clothing item positioned to direct a vapor adjacent an individual whereby an individual is exposed to a vapor while wearing said clothing item.

Claim 26 (previously amended): The therapeutic clothing apparatus of claim 25 in which said clothing item is a hat having a brim having a passive vaporizer made of an vaporizing liquid support material formed in said brim to hold a vaporizing liquid for vaporizing adjacent a person's face and nose.

**Serial No. 10/501,000**

Claim 27 (previously amended): A therapeutic purse comprising:

a ladies purse having a plurality of therapeutic devices therein, said plurality of therapeutic devices including an electric massager positioned for massaging an area of an individual's body when held thereagainst.

Claim 28 (previously amended): The therapeutic purse in accordance with claim 27 in which said plurality of therapeutic devices includes a heating pad positioned for heating an area of an individual's body when held thereagainst.

Claim 29 (previously amended): The therapeutic purse in accordance with claim 28 in which said plurality of therapeutic devices includes a vaporizer for vaporizing a liquid adjacent said purse when activated.

**Serial No. 10/501,000**

Claim 30 (previously amended): A therapeutic piece of furniture comprising:

a piece of furniture;

a plurality of therapeutic devices attached to said piece of furniture and including a vaporizer for producing a therapeutic vapor, said plurality of therapeutic devices being visually camouflaged from view whereby a plurality of therapeutic devices can provide therapeutic action for persons adjacent the furniture.

Claim 31 (canceled).

Claim 32 (canceled).
